

Narellan Pools Hardcover

Peace of mind never looked so great...

The Narellan Pools Hardcover is not only practical but looks great! Close your pool and relax knowing that everyone is safer around the pool.

Open your pool with a turn of a key...

Handling bulky, awkward pool covers has always been a chore. With the Narellan Pools Hardcover, you just turn the key when you want to swim. The motor-drive quietly glides the cover off the pool. When you've finished swimming, turn the key back to close the cover.

Wide variety of designs

Narellan Pools Hardcover can be installed on a variety of our shapes and sizes, allowing you flexibility on your design. Talk to your local Narellan Pools Pool Builder about what shapes and sizes our hardcover can be offered on.

Peace of mind comes from knowing your loved ones are safer. There is nothing more important than correct supervision and it is essential that you have a pool fence that is installed to Australian Standards. However the Narellan Pools Hardcover provides enhanced safety. It's rigid buoyant slats are strong enough to support small children and pets if they do decide to climb over the fence or gate. In fact, they'll even support the weight of an adult.

Keep your Narellan Pool warmer

An uncovered pool loses most of its heat through the surface of the pool. When you install a Narellan Pools Hardcover your pool temperature will stay warmer. That means many more swimming days per year... and more swimming hours per day.

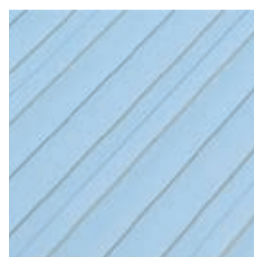

Cover completely disappears

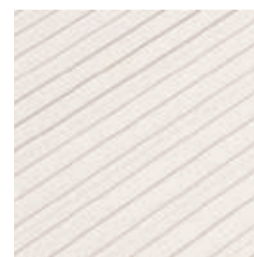

Keep your Narellan Pool looking beautiful by installing the Narellan Pools Hardcover and do away with the unsightly roller at the end of the pool.

Flexible colours

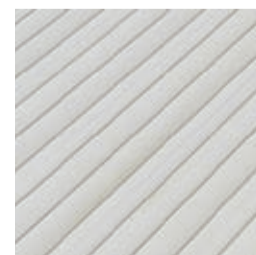

The Narellan Pools Hardcover is available in a choice of 4 colours to suit your Narellan Pool.

Blue Sky

Cream White

Silex [Light] Grey

Steel [Dark] Grey
